## Celebrate Earth Day with us!

Join us in celebrating Earth Day through a variety of activities that are fun, educational and nature related. Bring the kids, enjoy a scavenger hunt, visit with our donkeys, gather information on plants for pollinators and much more! Get creative with a craft and enjoy some refreshments while wandering among the plants. The first 500 families in attendance will receive a free evergreen seedling.

**Sat. 21st & Sun. 22nd**

**11-2 pm**

## Plants of the Month

There are so many spring blooming flowers that it is hard to pick a favorite so we picked a couple of unique plants that you might not be so familiar with. You can learn more about these and other great plants by using our [Plant Finder feature](#).

Pansies

Bleeding Hearts

Fringe Tree

Dianthus

Helleborus

Forsythia

## Need some yard help?

The Mustard Seed offers a one hour landscape consultation during which a professional designer will come to your home to evaluate your landscape &/or maintenance needs and give you an estimate for getting started on your project.

Don't delay, spring is going to be here in the wink of an eye, really.

[Book your consultation online today!](#)

## Events & Classes Update:

Our Annual Petting Zoo and Food Truck will be Sun. May 6th and 13th 11-3 pm

We will also have an array of blooming Roses and Hydrangeas that are sure to bring a smile any luck recipient of such a beautiful and thoughtful gift.

Reminder: Mother's Day is Sunday May 13th

[Other Services](#)

## Spring Pond Clean Out Time

Early spring, is the best time of the year to perform a pond clean-out. Ideally, before the water temp gets above 55° F. The process of cleaning out the pond is fairly easy and can usually be done in less than one day. Be prepared, however, because it's a messy, smelly job!

If you don't feel up to the task or you don't have the time, we can come out and do it for you. We can also get your bubbling rock or fountain running too.

**Call 952-445-6555 and ask for Eric**

at ext. 102 to answer any of your questions about getting on our spring pond cleaning schedule.
